From
Sri [illegible] Raju Bar-at-Law, I.C.S.,
Director of Industries and
Commerce, Madras.6.

To:
The Secretary to Government,
Development Department,
Madras.9.

No.1699-D.1/51 dated 23rd May, 1951.

Sir,

Sub: INDUSTRIES- Sericulture- Government Silk Filature- Kollegal - Technical Expert's quarters- Special Repairs - Sanction of expenditure.

The Executive Engineer, Public Works Department, Salem Division, has, after inspecting the buildings of the Government Silk Filatures, Kollegal, reported that the Technical Experts quarters at the Government Silk Filatures requires immediate repairs and has submitted an estimate for Rs. 1500/- therefor. I enclose herewith a copy of his report regarding the present condition of the building and the nature of repairs to be executed, from which it will be seen that the repairs have to be carried out urgently. As the total expenditure on special repairs involved viz., Rs. 1500/- exceeds the limit of ½% on the Capital cost of the building* laid down in Standing Order 19 approved in G.O. No. Ms.×2099 Development Department dated 30th May, 1945, I request that Government may be pleased to sanction an expenditure of Rs. 1500/- at an early date.

		(Rs)
*Capital cost	..	6417
½% of capital	..	32
Estimate.	..	1500
Excess.	..	1468

The expenditure will be debited to the Government Silk Filatures Accounts.

for Director of Industries and Commerce

MNG/26.5.

Copy of the report of the Executive Engineer, Salem Divn., accompanying the estimates for urgent repairs to the Manager's quarters at the Government silk filatures, Kollegal.

Capital cost of the building Rs. 2,641/- Amount of estimate 1,500/-.

--

1 The building was taken over from the Industries Department in January, 50. The walls and terraces are badly cracked and sunk. A roof timbers are attacked by white ants. The worst is beam 10" x 12" size in the drawing room, 15' span. To support it from falling down a brick wall 1'-1½" thick was built someyears ago. But the beam is getting now crumbled. It is therefore proposed to support the roof temporarily, remove the decayed beam and build up the wall upto top of joints with brick and cement mortar 1:3 and remove the temporary support after construction. As the joints are butting each other and their ends also slightly decayed the width of the wall is proposed to be widened at top giving off-sets.

(2) The wooden beams in the remaining three rooms are warping showing signs of . Pillars 2'-3" into 1'-6" from the bottom of the foundation of the building are proposed to be constructed with the country bricks in cement mortar 1:3 as per personal instructions of the Executive Engineer, and similar to those ordered in DVL No. 874-T/745/50 and plastered over with cement mortar 1:4.

3 The Madras tarrace roof is sunk in such a way over the walls that the drainage is made difficult. Cracks are formed also in. Repairs to leaky terrace as per the M.D.S.S. No.47 are provided for in this estimate.

4. Inadequate weep holdes, flat top are the main defects in this roof resulting in heavy leakage. These are now proposed to be mended in this special repair estimate. Sundry items of that may be found necessary during execution are also proposed to be attended to and provided for this estimate.

Memo no. 60130 MI/51-1 dt 7.6.51 Dev Dept

Very urgent

Subj: Industries - Sericulture - G.S.F., Kollegal - Technical Experts quarters - Special repairs - Sanction of Expenditure

Ref. From the DI&E No. 1699-DI/51 d. 23-5-51.

—x—

In his letter cited the DI&E has stated that the Technical Expert's quarters at the G.S.F., Kollegal requires immediate repairs. But in the copy of the report of the Executive Engineer, Salem Divn. enclosed with his letter it is stated that urgent repairs are necessary to the Manager's quarters at the G.S.F., Kollegal. The DI&E is therefore requested to clarify whether, the Technical Expert's and Manager's quarters are in one and the same building. The DI&E is also requested to furnish the estimates submitted by the Executive Engineer, Salem Divn. The reply should reach Govt. before 20-6-51

No.1699-D1/51 dated 13th June, 1951.

Sir,

Sub: Industries- Sericulture- Government Silk Filature- Kollegal- Technical Expert's Quarters- Special repairs- Regarding.

Ref: Government Memorandum No.60130/M.1/51-1 (Development Department) dated 7th June, 1951.

I submit that the repair work referred to by the Executive Engineer, relates to the General Manager's Quarters only. The reference to the Technical Expert's Quarters made in this office letter No.1699-D1/51 is a mistake which is regretted.

The General Manager's Quarters and the Technical Expert's Quarters are adjacent buildings within the premises of the Government Silk Filatures, Kollegal. I have sent herewith the estimate in original received from the Executive Engineer, Salem Division for reference and return.
